Each banner is 48 by 72 inches. (7x4x6x\$5=\$840)

The banner are to be suspended vertically. Please put grommets on the narrow ends to hang from the top and hold the bottom down.

You can add a graphic and text for Empire at the bottom of the right banners, but please keep the side of the existing advertiser clear so that I can cut up the banners when the event is over, and give to the sponsor.
